Commercial and/or industrial users disposing of waste via commercial and/or industrial vehicles of all configurations – i.e. small and/or large trucks including trailers, will be at \$76.00 (including GST) per tonne. This does not include contractors engaged by Council for the collection and disposal of residential garbage pursuant to Council contracts.

  - Processed tyres, **with preapproval from Council**, will be at \$76.00 (including GST) per tonne.
  - Whole tyres, including processed tyres **without** preapproval from Council, will be at \$425.00 (including GST) per tonne.
5. Commercial dumping of vehicles \$84.00 (including GST) per vehicle.
6. Disposal of dead animals by all users will be charged as follows:
  - \$99.00 (including GST) per large animal (larges animals classed as horses, donkeys, camels, etc).
  - \$99.00 (including GST) for the first small animal with subsequent small animals dumped at the same time at no extra charge.
7. Operator and machinery hire to bury/move waste will be at \$187.00 (including GST) per hour.

### Note – Terminology – Waste Tyres

Processed Tyres: Tyres that have had the walls removed and tread cut into several pieces to ensure the vessel (tyre) will not hold air/water; "processed tyres" shall be **disposed** of at the tip face and will be charged at the reduced rate (**subject to preapproval from Council**).

Disposal of processed tyres **without** preapproval from Council will result in commercial users being charged at the whole tyre rate.

Whole Tyres: Tyres ready for bailing and/or tyres already bailed; "whole tyres" are **stored** in designated areas and will be charged at a higher rate.
